"Obesity – what to do?"

**13 October 2021 from 14:00 hrs CEST
The Auditorium, Building D
University Hospital of South West Jutland
Finsensgade 35, 6700 Esbjerg**

On the occasion of Claus Bogh Juhl's appointment as Clinical Professor in clinical intervention in diabetes and obesity at the Research Unit of Steno Diabetes Center Odense, Department of Regional Health Research, University of Southern Denmark, the Faculty of Health Sciences hereby invites you to attend an inaugural seminar with the following program:

14.00-14.05: Introduction and welcome

Rikke Leth-Larsen, Head of the Department of Regional Health Research,
Faculty of Health Sciences, University of Southern Denmark

14.05-14.35: "Obesity – A Major Health Challenge of Our Time"

Claus Bogh Juhl, MD. Ph.D., Clinical Professor in clinical intervention in diabetes and obesity, the Research Unit of Steno Diabetes Center Odense, Department of Regional Health Research, University of Southern Denmark and Department of Endocrinology, University Hospital of South West Jutland

14.35-15.15: "Metabolic Surgery in Type 2 Diabetes – Much More Than Weight Loss?"

Jøran Hjelmæsæth, Professor, Department of Endocrinology, Morbid Obesity and Preventive Medicine, Institute of Clinical Medicine, University of Oslo

15.15-15.30 Discussion and closing of the seminar

After the seminar, a reception will be held at the entrance hall outside the auditorium. The Faculty of Health Sciences would like to invite all interested persons to attend the seminar and the following reception.

If you wish to participate, we kindly ask you to register [here](#) no later than October 6, 2021. Please indicate whether you also wish to take part in the following reception.

For further information or questions, please contact the research centre at Hospital South West Jutland, SVS-forskning@rsyd.dk.

Best regards,

Uffe Holmskov
Acting Dean (from August 1, 2021)
